

Bully in the Alley

Sea Shanty

*Sally is the girl that I loved dearly,
Way, hey, bully in the alley.
Sally is the girl that I spliced nearly,
Bully down in Shinbone al.*

*For seven long years I courted little Sally,
Way, hey, bully in the alley.
All she did was dilly and dally,
Bully down in Shinbone al.*

*I left my Sal, I went a-sailing,
Way, hey, bully in the alley.
Signed on a big ship, I went a-whaling,
Bully down in Shinbown al.*

*If ever I get back, I'll marry Sally,
Way, hey, bully in the alley.
Have six kids and live in Shinbone alley,
Bully down in Shinbown al.*

*I thought I heard the old man saying,
Way, hey, bully in the alley.
One more pull and we're belaying,
Bully down in Shinbone al.*
